Special Thanks!

The 52nd Annual Friends of the Coronado Library Book Fair's success was a direct outcome of community teamwork. It was achieved through the generosity of community members who donated their gently used books, the dedication of over 100 volunteers who diligently collected, sorted, priced, and organized the sale, and the participation of **more than five hundred community members** who **attended and purchased books**.

The funds raised support the Friends' efforts to cover the expenses of numerous free programs that the Library offers to our community on a daily, weekly, monthly, and yearly basis.

We couldn't have done it without you!
